In the Matter of:

THE APPLICATION OF BUTLER COUNTY	)	
WATER SYSTEM, INC. FOR APPROVAL OF	)	
A TARIFF TO ESTABLISH NEW METER	)	CASE NO. 89-209
CONNECT FEES	)	

O R D E R

On July 26, 1989, Butler County Water System, Inc. ("Butler County") filed an application requesting to establish a meter connection fee for a 5/8 inch meter, a 1 inch meter, a 1 1/2 inch meter, a 2 inch meter, a 3 inch meter, a 4 inch meter, and a 6 inch meter. Butler County also proposed to establish a \$25 inspection fee for inspecting the service line. On August 4, 1989, the Commission issued a letter requesting additional information concerning certain filing deficiencies be filed within 15 days. On August 10, 1989, Butler County filed the requested information.

In its application, Butler County provided a copy of its public notice of the proposed charges. Also included in the application was a copy of the Affidavit of Publication verifying that the notice was published on June 28, July 5, and July 12, 1989.

Butler County has filed schedules with the Commission which itemize the expenses involved in providing a metered service connection and a service line inspection charge. A review of these schedules indicates that the proposed charges are equal to

the expense of each charge and that the individual expenses are reasonable.

The Commission, having considered the evidence and being advised, HEREBY ORDERS that:

1. Butler County shall be and hereby is permitted to establish a meter connection fee for a 5/8 inch meter, a 1 inch meter, a 1 1/2 inch meter, a 2 inch meter, a 3 inch meter, a 4 inch meter, and a 6 inch meter to the charge set out in Appendix A, attached hereto and incorporated herein.

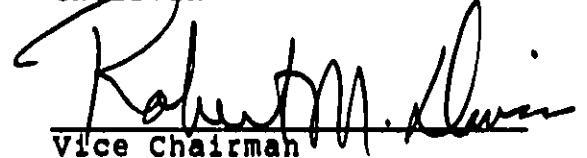

2. Butler County shall be and hereby is permitted to establish a service line inspection charge as set out in Appendix A.

3. Within 30 days from the date of this Order, Butler County shall file its revised tariff sheets setting out the charges approved herein.

Done at Frankfort, Kentucky, this 7th day of September, 1989.
